Pre-Calc Audit Report Errors (SR 37361)

May 24, 2022

Pre-Calc Audit Report Error

Report message: No active *Job Record* for an *Earnings Begin Date*.

- This may be an invalid error for employees with mid-month actions in *Job*.
- Review *Payline(s)* to ensure the earnings begin and end dates are correct and the hours are accurate.

The fix for this error can be tracked on **SR 37361** and moves to production in August 2022.

Thank You!
